Dear R/TA,

This is in continuation to our Circular No. 1 dated February 16, 2018 regarding the Establishment & Operations of the Centralized Cash Dividend Register and another Circular dated April 17, 2018 regarding Dissemination of Dividend/Zakat and Tax Deduction Report through email.

We would like to inform you that in consideration of the feedback and suggestions received from various R/TAs, we have incorporated following enhancements in the eDividend portal:

- Length of various fields has been changed.
- Insertion of special characters has been allowed in various fields.
- Various data validation checks have been built and revised respectively.

The details of these enhancements are provided in the attached User Manual for Repository Upload.

Furthermore, we strongly recommend you to kindly upload the files as per the guidelines provided in the manual in order to avoid any unnecessary errors and inconvenience.
