Dear Participant,

This is in reference to our Circular dated May 30, 2018 regarding addition of Dividend Report tab on CDC access website and eDividend Information section on eServices portal.

We are pleased to inform you that we have added a new report tab namely **Dividend/Zakat & Tax Summary Report** within the eDividend dropdown option on our eServices portal.

Through this tab, investors after successful login, can now retrieve their Dividend/Zakat & Tax Deduction summary for the entire Financial Year. The report can be further filtered to view summary on the basis of single security symbol as well. Furthermore, this report will greatly facilitate investors with filing of their annual tax returns.

You are requested to kindly update/inform your clients regarding these recent developments and encourage their active utilization.

Should you have any queries or concerns, please feel free to call our Customer Support Services at 0800-CDCPL (23275) during business hours.

Regards,
