**Subject :** Provision of Dividend Zakat and Tax Deduction Report for Unpaid & Withheld Dividends

**Attachments :**

**Priority :** High

**Message :** January 07, 2019

Dear R/TA,

This is in continuation to our earlier Circular dated April 17, 2018.

To facilitate shareholders in attaining the status and reasoning for their 'Unpaid' and/or 'Withheld' dividends, CDC is introducing an email facility. Through this facility, upon posting of records by the R/TA in the eServices portal, the 'Dividend / Zakat & Tax Deduction Report' for 'Unpaid' or 'Withheld' dividends will be sent automatically to respective shareholders of listed companies on email addresses as mentioned in the uploaded records.

Further, the 'Dividend / Zakat & Tax Deduction Report' (Dividend counterfoil) for 'Unpaid' and 'Withheld' dividends can also be viewed on the eServices portal.

Regards,

**Owais Anwer**
