| <p>The main objective of providing the Global Terminal Facility is to facilitate the Participants/Account Holders, Issuers, Eligible Pledges and Registrar/Transfer Agents (“CDS Elements”) to access the Central Depository System. CDC makes no warranty whatsoever relating to access to the Central Depository System through the Global Terminal Facility and the CDS Element(s) unconditionally recognize and avail the facility subject to all hazards, inherent or otherwise, and circumstances as exist with the use of Global Terminal Facility. CDC shall not be liable to any CDS Element(s) for providing and making available the Global Terminal Facility and for failure or delay in the provision of the same. All CDS Element(s), who access the Central Depository System through the Global Terminal Facility, hereby waive and release CDC against any risk, damage, injury and/or loss or other adverse consequences, directly or indirectly occurring due to use of the Global Terminal Facility, and shall hold harmless and be deemed to have indemnified CDC, its directors, officers and employees for the time being in office and held them harmless from and against any losses, damages, costs and expenses incurred or suffered by them as a consequence of availing the Global Terminal Facility.</p> <p>All CDS Element(s) hereby warrant and agree that their access of the Central Depository System by the use of a RSA Token and login is an advanced electronic signature and upon issuance of such RSA Token to the CDS Element(s), they hereby waive any right to raise any objection in respect of compliance with the criteria of an advance electronic signature.</p> <p>All CDS Element(s) shall by signing this Form and by their conduct of availing the Global Terminal Facility agree to all the terms and conditions and terms of use as shall appear on the CDC website at www.cdcaccess.com.pk which are incorporated by reference herein, and shall be deemed to have been read and agreed to by the CDS Element(s) before signing this form.</p> | | | | | | | | | | | | | |
